The diagram illustrates the step-by-step process of drawing a landscape. It shows a sequence of four drawings. In the first, a pencil is shown drawing a tree on the left bank of a river. In the second, a pencil is shown drawing a tree on the right bank. In the third, a pencil is shown drawing a tree on the left bank. In the fourth, a pencil is shown drawing a tree on the right bank. The drawings are arranged vertically, showing the progression of the drawing.
